Comprehensive list of multiplayer online games			
Number	Name	Link	Description
1	Uno	<a href="https://play.google.com/store/apps/details?id=uno.friends.free.card.ono">https://play.google.com/store/apps/details?id=uno.friends.free.card.ono</a>	This is a great adaption of the original Uno game. Uno Spin rules are slightly different than the original. The great thing about this version is that it is very unpredictable, and it is easy to come back from behind.
2	Ludo	<a href="https://play.google.com/store/apps/details?id=com.ludo.king">https://play.google.com/store/apps/details?id=com.ludo.king</a>	Ludo is a strategy board game for two to four players, in which the players race their four tokens from start to finish according to the rolls of a single die. Like other cross and circle games, Ludo is derived from the Indian game Pachisi, but simpler
3	Psych	<a href="https://play.google.com/store/apps/details?id=com.wb.goog.ellen.psych">https://play.google.com/store/apps/details?id=com.wb.goog.ellen.psych</a>	Psych is a very interesting and fun multiplayer party game on mobile. There are multiple categories in the game for you to explore. 'Is that a fact' is where you have to make up facts to try and fool your friends into believing them. 'Movie bluff' – you'll be given a movie title, but you and your friends will have to make up the plot, again trying to "psych" your friends. It is super simple to get into a match; jut share the code you get on screen and you're all set. Psych is available for free on both iOS and Android devices and can be downloaded from the respective stores.
4	Drop7	<a href="https://play.google.com/store/apps/details?id=com.zynga.drop7">https://play.google.com/store/apps/details?id=com.zynga.drop7</a>	Drop7 is a straightforward puzzle game once you get the rules, but there's a small learning curve to figure out how it works. It requires quick counting, as you drop the numbered circles into columns and rows that contain that same number of circles. It takes focus, but not so much that it'll drive you crazy.
5	Monopoly	<a href="https://play.google.com/store/apps/details?id=air.bg.lan.Monopoli">https://play.google.com/store/apps/details?id=air.bg.lan.Monopoli</a>	Monopoly is a board game currently published by Hasbro. In the game, players roll two six-sided dice to move around the game board, buying and trading properties, and developing them with houses and hotels. Players collect rent from their opponents, with the goal being to drive them into bankruptcy. Money can also be gained or lost through Chance and Community Chest cards, and tax squares; players can end up in jail, which they cannot move from until they have met one of several conditions. The game has numerous house rules, and hundreds of different editions exist, as well as many spin-offs and related media.

6	Catan	<a href="https://play.google.com/store/apps/details?id=com.usm.catanuniverse">https://play.google.com/store/apps/details?id=com.usm.catanuniverse</a>	Catan, previously known as The Settlers of Catan or simply Settlers, is a multiplayer board game. Players take on the roles of settlers, each attempting to build and develop holdings while trading and acquiring resources. Players gain points as their settlements grow; the first to reach a set number of points, typically 10, wins
7	Paper Toss	<a href="https://play.google.com/store/apps/details?id=com.K9Games.PaperToss2D">https://play.google.com/store/apps/details?id=com.K9Games.PaperToss2D</a>	Paper Toss simulates the age-old office pastime of shooting crumpled up paper balls into the wastebasket. Flick your finger in the direction that you want to launch the paper ball, carefully taking into consideration the fan and other obstacles, and hopefully landing the paper into the wastebasket with a satisfying “thud.”
8	KAMI	<a href="https://play.google.com/store/apps/details?id=com.stateofplaygames.kami2">https://play.google.com/store/apps/details?id=com.stateofplaygames.kami2</a>	KAMI is a relaxing puzzle game where you have to fill the screen with coloured folded paper within a predetermined number of moves. It is super-relaxing, with Asian-inspired music and a visual style that takes its cue from Japanese origami. The game looks impeccable and is easy to play. The app is perfect for chilling out without tying yourself in knots!
9	2048	<a href="https://play.google.com/store/apps/details?id=com.androbaby.game2048">https://play.google.com/store/apps/details?id=com.androbaby.game2048</a>	2048 is a single-player sliding block puzzle game designed by Italian web developer Gabriele Cirulli. The game's objective is to slide numbered tiles on a grid to combine them to create a tile with the number 2048
10	Free Flow	<a href="https://play.google.com/store/apps/details?id=com.bigduckgames.flow">https://play.google.com/store/apps/details?id=com.bigduckgames.flow</a>	Flow Free is a puzzle game for iOS and Android released by American studio Big Duck Games in June 2012.
